EXPECTATIONS

This is an advanced chemistry course. This class will help prepare you for AP Chemistry next year which will give you the opportunity to earn college credit while still in high school. Everyone will be expected to fully participate in all discussions, labs, and activities. This class will move fast and may contain some nightly homework of about 25-30 minutes – mostly reading or videos with some math. **ANY** missed work is your responsibility to find out, retrieve, or possibly make-up at the teacher's convenience. Attendance in all discussions and activities is strongly advised since you can't truly understand if you're not there to obtain the information. You are still responsible for keeping up with all work. Class will begin on time and last all period.

REQUIRED MATERIALS

- BINDER WITH DIVIDERS** (This can be shared with another class)
- PENS, PENCILS, HIGHLIGHTERS**
- GRAPH PAPER**
- \$15 MANDATORY LAB FEE** (You will be provided with a lab notebook upon payment of fee)
- SCIENTIFIC CALCULATOR** (You should already have one for math)
- EARBUDS** (Cheap pair, for use with Chromebooks)
