Please be on time every day of band camp! This is to ensure we have the most successful season we can possibly have. The start time is the time you should be in your place and ready to begin with all of the necessary materials. Dismissal times are set, and we will stay on track of time to the best of our ability. In the event inclement weather does not allow us to hold outdoor rehearsals, we will move to the FCHS Band Hall or designated sectional locations.

Make sure your instrument is in good working condition with the materials necessary to play.

Please arrange transportation to and from rehearsals ahead of time. We are not responsible for arranging transportation. Directors and clinicians **WILL NOT** provide transportation. Everyone must remain on campus during lunch and dinner breaks! Please bring lunch; dinner will be provided.

Begin hydrating now! Begin acclimating now!

Begin drinking water and acclimating to the July heat to prepare for outdoor rehearsals!
