### **Classroom Expectations**

#### **Be on time.**

Punctuality is a virtue. You must be in your seat ready to work when the bell rings. Failure to do so will result in a tardy.

#### **Be prepared.**

Always have your materials for this class with you. Always do your assigned reading. Always be prepared to discuss.

#### **Be respectful.**

This classroom is a space where we give respect to ALL people, even if we do not agree with them. We respect personal space as well as intellect. That is a requirement.

Respect all classroom rules and do what is asked of you the first time.

#### **Be kind.**

How you treat others is a direct reflection of your heart. In this classroom, we have good hearts.

#### **Be present.**

Phones, smartwatches, and any other personal technology is prohibited. Only school-issued technology is allowed.

**No food or drink allowed in class.**

**Follow all school rules.**

## **Consequences for failing to follow classroom or school rules.**

First offense: Verbal warning or student conference

Second offense: Break detention & parent contact

Third offense: Parent conference

Fourth offense: Office referral

**\*Actions resulting in immediate office referral can be found in the student handbook.**

## **Grades**

Bellringers: 100pts

Reflective Journals: 100pts

Index Cards: 75pts

Essays: 100pts

Projects: 100pts

Daily grades: 15-40pts, depending

Quizzes: 50pts

## **Late Work**

Late work will receive 50% credit up to 3 days past the due date. Any work received after it is 3 days late will receive a 0%.

If you miss class it is **your** responsibility to ask for any work missed. You will need to get any notes from a classmate. If your assignment is late because you failed to get the work, it will be graded by the late work policy.

## **Academic Integrity and Plagiarism**

Your work should be your own. Any student who claims any work as their own (including but not limited to: essays, daily grades, tests, quizzes, journal entries, or any other work done in this class) that is not their own (including work written by AI) will receive a zero on the assignment and will not be able to make that assignment up.
