Those programs, activities and procedures will be planned and operated through meaningful consultation with parents of participating children.
- Consistent with section 1118, the school will work with its faculty and staff to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA, and include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.
- The school will incorporate this parent and family engagement plan into its school plan developed under section 1112 of the ESEA.
- In carrying out the Title I, Part A parental requirements, to the extent practicable, the school will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school will submit any parent comments with the plan when the school submits the plan to the LEA and the State Department of Education.
- The school will be governed by the following statutory definition of parent and family engagement, and expects that its Title I schools will carry out programs, activities and procedures in accordance with this definition.

Parental and family engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring-
